REPORT ON THE EVALUATION OF UNIMAK'S ST JOHN OF GOD CAMPUS LUN SAR

Sequel to the application for the registration of the UNIMAK's St John of God Campus Lunsar; the Commission assessed the application by:

1. Assessing the documents presented
2. Ensuring that the programs that are to be offered were accredited by the TEC.
3. Visiting the physical facility of the St John of God campus to ascertain its suitability

UNIMAK presented the following documents in the application package for the establishment of the new campus in Lunsar:

1. List of programmes.
2. Teaching staff list with qualifications.
3. A list of physical facilities.
4. Quality Assurance structures.
5. Accreditation letter from Nurses and Midwives Board for the programmes offered by St John of God Catholic School of Nursing.
6. TEC's certificate of registration to St John's of God College as a category C institution.
7. A letter from UNIMAK granting affiliation to St John of God College.
8. Audited Financial statement of St John of God College.
9. Minutes of UNIMAK's Court Meeting in which the decision to establish a UNIMAK campus at the St John of God College Lunsar was taken.

2.0. Programmes Offered by St John of God UNIMAK Campus

The programmes to be offered in the New Campus had already been accredited by the Nurses and Mid-wives Board and the Tertiary Education Commission (TEC). They will be adopted by UNIMAK when they take over St John of God College as a campus.
